**Terms and conditions for giving Piped Natural Gas connection
to Consumers at _____ Town Gas Grid**

1. Every consumer desiring to get natural gas supply through pipeline to his/her premises from the Assam Gas Company Ltd's (hereinafter called the 'Company') distribution lines shall submit application to the Company in the form prescribed with requisite earnest money/security deposit as may be fixed by the Company from time to time. The prescribed application form will be available from the Company's office on payment of Rs. 10.00 (Ten) each.
2. The decision of giving gas connection shall be made solely by the Company on the basis of economy, convenience, technical feasibility and safety and such decision shall be final and binding.
3. The Company will refund the deposit made by the applicant if the connection is not given for any of the grounds as stated above.
4. The applicant shall provide/ensure all facilities, co-operation and extend all help to the Company's personnel/ representative/ authorized agent at the time of laying the pipeline and giving gas connection upto the burner point of the applicant's kitchen and to compere the same without any hindrance or obstruction from any source. The applicant shall obtain written consent/approval from his/her neighbour where necessary, if the pipeline is to pass through his/her neighbour's premises and to submit the same to the Company. No compensation will be paid by the Company for laying the pipeline to anybody and owner of the land shall be liable for general safety of the pipeline.
5. The applicant/ consumer shall select and show the location of the burner point in his /her kitchen / premises where connection is to be given and the said location of the burner shall not be altered or changed subsequently. If at any time burner altered or changed or shifted, the same may be effected only by the Company alone, on written application of the consumer, and the cost of such shifting or location as may be assessed by the Company, shall have to be borne by the consumer.
6. The consumer shall not change, alter or shift the location of the burner point in any manner. Only the Company's personnel/authorised agent/representative will change or alter the house connection to different location on written application of the consumer and on payment of the requisite cost in advance.
7. The maintenance of the pipeline system upto the burner point of the consumer's kitchen will be done by the Company. In case detection of any leakage in the house connection or any problem arising in the system, excepting the burner, the consumer shall inform forth with the Company's maintenance cell of the grid during working hours.
In case of any emergency, like gas leakage, breakage or damage to any part, the consumer shall contact or report immediately either by phone or personally during any time of the day/night to the Emergency Cell of the Company for taking action thereon.
8. The consumer shall take good care of the pipeline and other fittings and shall be responsible for proper safety and security of line laid within his/her premises and shall not in any way damage, alter, remove or cause to be damaged, altered or removed any such line. In the event of the line in the consumers premises being damaged/alter in any way the consumer shall be liable to pay the cost of repairing or replacing the same.
9. The consumer shall arrange .his/her own gas stove and maintain the same in proper order at all time.
10. The point to which the piped gas connection is given shall be used by the consumer alone and he/she shall not transfer of otherwise assign the same to anyone else.
11. The Company shall not be responsible for any leakage or defect in consumer's stove. Should any leakage or defect be discovered by the consumer in his/her gas line/stove the supply should be turned off at the ½ " valve outside and the defect remedied

bank account or as may be advised by the Company. If the amount of the bill is not paid/deposited on or before the 15th day of issue of the bill or within 15 days of every month, then the Company shall be at liberty to cut off the supply of gas to the said consumer without prior information/notice.

13. If a consumer neglects or fails to pay the amount of the bill as per cl.12 herein above, the Company shall be at liberty to cut off the supply, without any prior information / notice in that behalf. If the consumer desires to get the gas supply to his/her kitchen to be restored the consumer will have to pay all the outstanding dues in full together with a further sum of Rs.500/- (Rupees five hundred) or any reasonable amount fixed by the Company as cost for re-connecting and restoring the gas supply along with late fine of Rs. 10.00 per month.
14. In case the consumer does not want the supply to be restored within two months from the date of stoppage supply/disconnection of gas, then the Company will forfeit the whole security/EMD deposit of the Company will adjust the outstanding dues from the consumers security/EMD deposit and balance will be refunded as per clause 16 hereunder. The Company will be entitled to take back the gas line and fitting used for such consumer.
If the consumer, after such removal of the lines and fittings wants gas connection again, then the consumers shall have to submit an application afresh, in behalf and shall have to bear the actual cost of re-installation of the line to his/her kitchen, as estimated by the Company, in advance together with the security deposit prevalent at the time.
15. In the event of the consumer's desiring to discontinue with the gas consumption and the services of the Company, then he/she will inform the Company in writing giving the Company clear two months notice and pay all outstanding dues. If the consumer fails or neglects to clear all outstanding dues, the Company will be entitled to adjust/realise all outstanding dues of the consumer from the consumer's security/EMD deposite laying with the Company and the balance, if any, will be refunded to the consumer. The Company will be entitled to take back the gas line and other fitting/appliances from the premises of the consumer.
16. The security money deposit, which is interest free and not transferrable will be forfeited/adjusted/refunded to the consumer when he/she ceases to be a consumer of piped natural gas from the Company's system, based on the period of continuation with the system, as under:

Period with the Grid	Portion of Security/EMD deposite to be returned to consumer
a) Upto 4 years	NIL
b) After 4 years	100%

17. The consumer shall bound to allow the Company's personnel/authorised agents/representatives at a reasonable time to enter into the consumer's premises to which the gas connection has been provided for the purpose of inspecting/testing/examining the gas pipeline and the gas stove to ensure safety an security and also for gas meter reading (if installed) and for other purposes connected with works of the Company, also for removal of the pipe and other fittings when the supply is no longer required by the consumer.
18. Under no circumstances the consumer shall remove, extend or do any work on gas pipeline laid in his/her premises connecting his/her gas stove.
If any consumer carries out any unauthorized work or connection in the gas pipeline laid on his/her premises and in his/her kitchen then the Company shall be entitles to take appropriate legal action and release all such expenses and shall also be entitles to stop/cut off gas supply to avoid any accident/danger/ injury to properties and human lives, and also impose a fine of Rs 3000/- (Rupees three thousand) only to the domestic consumer, and Rs. 6000/- (Rupees six thousand) only for commercial consumer's. In case of repeated violation, the security money shall also be forfeited.
19. In case of any problem arising in gas pipelines leading to the consumer's kitchen burner point the consumer shall forthwith inform the Company for necessary rectification to avoid any danger of accident and the consumer shall not carry out any rectification works himself/herself or by engaging or through unauthorised persons, and shall be liable for all consequences therof.
20. As a general interest of all the consumers whenever some abnormalities in any part or the whole of gas line system in the town is observed / noticed by any of the consumers then he / she will inform the Company immediately about the same at any time of the day.

24. In no case the domestic consumer shall use the gas for any commercial purposes. The domestic consumers shall not in any case use the gas for any purpose other than fuel for cooking in his / her kitchen.

I have gone through the above terms and conditions supply of piped natural gas to my kitchen burner point, have understood the contents with full consciousness and agreed to be binding on me, my family and heir.

**Monthly charges to be paid by Domestic Consumer of
Piped Natural Gas at _____ Gas Grid**
(Clause 12 of Terms & Conditions)

1. As per the existing gas price fixed by Govt. of India, the cost of transportation and supply of gas charge fixed by Assam Gas Company Ltd. for each domestic gas connection of (one) standard Double Burner Domestic Gas Stove is Rs. 350.00 per month only as MDC charges with a discount of Rs. 20.00 for payment within the stipulated date i.e. within 15th of the current month till gas meter is installed. Once the gas meter is installed, the Consumer will have to pay as per the meter reading i.e., @ Rs. 10.00 per SCM or the MDC whichever is higher.
2. The above charges for gas supply and transportation are based on estimated consumption @ 30 SCUM / month per one Double Burner for Domestic use only and for any increase (average) in the consumption rate will also effect the charges proportionately till the meter is installed and on installation of meter clause 0.1 as above will be applicable.
3. The charges for transportation and supply of gas will be revised from time to time based on the escalation in overhead cost all India price indices, change of gas price by the Govt. of India, Royalty and Taxes by Govt of Assam etc. the same will be proportionately increase by Assam Gas Co. Ltd. The concessional price of gas presently fixed by Govt. of India for supply to town gas grid is Rs. 2304.00 per 1000 SCUM i.e. exclusive of Royalty + Sales Tax. Now a days the price of gas fixed by Govt. of India changes every three months. The upward revision of gas price will not be imposed upon Consumers immediately, however revision of monthly MDC charge / rate per SCM due to change in gas price will be made once in a year.
4. Minimum of Rs. 10.00 per year will be increased to the monthly cost.
5. At a later stage if the Company decide to install gas meter the cost of gas meter will have to be borne by the individual Consumer and for the maintenance of the meter @ Rs. 10.00 per month, per meter will also be paid by the Consumer. At present the cost of the meter is Rs. 5000.00 (Rupees five thousand) approx.
6. Security deposit of Rs. 1500.00 (Rupees one thousand five hundred) only is to be paid for each Domestic connection.
7. The actual cost of pipeline, fittings and laying cost from mainline to Kitchen is to be borne by the individual Consumer.
8. At the time of submission of Form in the form Rs. 4000.00 (Rupees four thousand) only is to be deposited in favour of Assam Gas Co. Ltd., Duliajan payable at the notified bank of the Company, The security money and the actual cost of the pipeline from mainline to kitchen will be adjusted from the above amount, if additional amount is to be paid by the Consumer that has to be paid before commissioning of the connection. In case of payment by cheque the connection will be given on receipt / on collection of payment.
